

## He Knows and He Cares!

*The LORD by wisdom founded the earth; by understanding He established the heavens; by His knowledge the depths were broken up, and clouds drop down the dew. Proverbs 3:19,20*

Consider the miracles of:

- Sight: 120 million rods & 6 million cones (photoreceptors) react to light & 1 million ganglion cell nerves take the message to the visual cortex of the brain ...
- Hearing: the eardrum can respond to pressure changes as low as two ten-thousandths of a millionth of an inch – about one-tenth the width of a hydrogen molecule ...

The Lord by WISDOM created everything; it wasn't random processes, as evolutionists would have us believe. Psalm 111:2 says, *The works of the LORD are great, studied by all who have pleasure in them.*

Those who have studied God's creation have confirmed His infinite wisdom. Witness:

- The perfect setting of earth to sustain life ...
- Numbers ... shapes ... patterns in nature. Especially 'Fibonacci numbers' ...
- DNA ...
- 'Simple' cells which are not so simple – with: springs ... rotary joints ... levers ... switches ... pulleys ... motors ... gates ... pumps ... rotary outboard motors ... monorails ... all on the **molecular** level ...
- Biomimicry: Kingfisher beak/Japanese bullet train ... bird wing/airplane wing ... mandible of wood-boring beetle/chainsaw blade ... lotus plant/paint ... Osage tree thorns/barbed wire ... cockleburs/Velcro ...
- Gifted 'savants' ...

*By His knowledge the depths were broken up, and clouds drop down the dew. Vs. 20*

- 'the depths were broken up' refers to the flood of Noah. It was a huge, cataclysmic, catastrophic event. Nothing could compare with it. And God knew all about it.
- 'clouds drop down the dew' – the formation of dew is silent. And God knows about that, too
- Takeaway: God knows all about the crises and catastrophes of your life. He knows and He cares! And He knows all about the mundane aspects of your life. He knows and He cares!
